CHILDREN'S RIGHTS POLICY STATEMENT

Stranraer Football Club is fully committed to embedding a rights-based approach in Scottish football. We recognise and work within the general principles of the United Nations Convention on the Rights of the Child (UNCRC) for the best interests of the child, non-discrimination, participation as well as survival and development.

For the purposes of this policy a child is recognised as someone under the age of 18 years. This policy applies to all children regardless of age, gender, sexual orientation, disability, race, religion, socio-economic status or family circumstance.
